We have a fantastic range of extension and stopover packages (see page 42) or, if you're looking for something a bit different, our knowledgeable team of experts can help you customise your very own extension to any tour in this brochure.

PHYSICAL RATING

LEVEL 1

All our tours feature a physical rating to help you select the right holiday for you. Every one of our tours require the ability to walk around sights unaided, whilst more active tours involve longer walks, cycling and other physical activities. Tours at altitude will have a higher physical rating. For more information on why each tour has been rated the way it has, have a look at the 'Detailed Tour Dossier' available to download on the tour page of our website.

LEVEL 2

Involves a little more time on your feet than a Level 1 tour and may involve more steps and/or walking.

LEVEL 3

A good level of fitness is required as you need to be comfortable walking for 2-3 hours and covering longer distances. Other activities such as cycling will be at a gentle pace and will involve straightforward terrain.

LEVEL 4

Similar physical activities to Level 3 but they may be longer in duration or on slightly more challenging terrain.

LEVEL 5

You'll need to be fit and adventurous to participate in these tours as on some days you will be active for most of the day. The terrain may be more challenging and the activities more physically demanding.

As the physical demands of each tour are different we recommend you check your Tour Dossier carefully before booking and contact us or your agent if unsure.

You're in safe hands

Our guides are the stars of the show; it is their unrivalled knowledge, passion and expertise that will transform your tour experience from good to truly extraordinary!

"Thank you SO much for a wonderful travel experience. I am getting so that I don't want to travel with any other company, after a month with you in China, a month in South America and now the Middle East, with Japan already booked for next year, and New Zealand under consideration, so please expand to cover the whole world! Thank you for making me feel so safe and well looked after throughout, particularly important as a slightly older solo traveller. Your visa service was greatly appreciated so gaining entry to each country was quick and easy. Please just keep doing everything you are already doing so well."

Marvel at the grandeur of the site's rock-hewn tombs, dating back two thousand years. Dozens of well-preserved tombs stand amid the stunning desert landscape, carved into its dramatic cliffs and rock formations.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 10 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. If you are joining one of our group tours on your own you can choose either to book onto one of our Solo Departures, which are reserved exclusively for solo travelers and have single occupancy of a double room built into the tour price plus free access to an airport lounge and a drinks reception on arrival, or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our Happy to Share option, where if we can find you a share partner of the same gender, your single supplement will be removed from your booking. You will be introduced to your share partner on arrival at the start of the tour. Happy to Share is on request when booking less than 75 days before departure. Alternatively a private room of your own is available on any of our tours at an extra cost.

Q. What is the maximum luggage allowance on your tours?

A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights and trains.

Q. What currency should I take?

A. We recommend you take the local currency and a credit/debit card. If travelling to more than one country it may also be advisable to bring some US dollars to exchange locally. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to travel?

A. Our group tour dates are based on the best time to travel in each destination, however as the Middle East, Europe and South Africa are such large and varied regions there will be drastic differences between and even within countries, sometimes on the same tour. See individual tour pages and tour dossiers in this brochure for further information about the seasons and climate in each destination.

WHILE ON TOUR

Q. Are there shopping opportunities on your tours?

A. There will be an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. How do standards abroad compare with UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. How does the tipping system work on your tours?

A. Tipping is expected in the Middle East, Europe and South Africa. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change

Q. Do you allow children on your tours?

A. We allow children 12 years and over on most of our group tours. Alternatively, private tours offer greater flexibility whilst on tour and are suitable for any age group. Any of our tours can be enjoyed as a private tour.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What sort of vehicles do you use?

A. We use a variety of transportation to operate your itinerary at the best pace and to give you an authentic travel experience so you are not always 'removed' from the locals.

Domestic Flights: Planes are very similar to what you would travel on at home with allocated seats. Depending on flight duration meals may/not be provided. Group members may not necessarily be seated together. The flight schedule of domestic airlines changes frequently, hence all domestic flights that appear in your itinerary are subject to change. Please ensure that all valuables and any items you may need for the rest of the day are carried in your hand luggage. The luggage limit is 20kg per passenger, and bags must be locked. Airlines currently do not allow liquids (alcohol, spirits, wine, water, perfume etc) or sharp objects to be carried onboard the aircraft in hand luggage and these will be confiscated.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On smaller private tours we use air-conditioned vehicles suitable for the size of the party. There will also be some instances where smaller vehicles such as jeeps are used to access certain areas. If this is the case this will be stated in your itinerary.

Boats: In Egypt you will cruise the Nile on a 5 star vessel, where the cabins have a private bathroom, air conditioner and river views while the communal area offers a swimming pool, outdoor bar, lounge, gift shop, restaurant and sauna & gym. You will enjoy various forms of entertainment in the evenings such as belly dancing and oriental shows.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings and smart casual clothes are recommended for evenings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, the Wendy Wu Tours team carries out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our group tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each group tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or local guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages.

WENDY WU TOURS BOOKING CONDITIONS

The following booking conditions form the basis of your contract with Wendy Wu Tours Ltd, Newhams Yard, 151F Tower Bridge Road, London, SE1 3JE, company number 05107061. Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, you confirm that you have had the opportunity to read and have read these booking conditions, the brochure and tour dossier and agree to be bound by them.

These booking conditions only apply to holiday arrangements which you book with us in the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "contract", "package", "tour" or "arrangements" mean such holiday arrangements unless otherwise stated. For tailor-made holidays, please refer to the terms and conditions on our website. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Wendy Wu Tours Limited.

1. Your Holiday Contract

The first named person on the booking ("lead name") must be authorised to make a booking on the basis of these booking conditions by all persons named on the booking and by their parent or guardian for all party members who are under 18 when the booking is made. By making a booking the lead name confirms that he/she is so authorised. The lead name is responsible for making all payments due to us and to indemnify us for the liability of all party members. The lead name must be at least 18 when the booking is made. After we receive your booking request and all appropriate payments (see clause 4 "Payment" below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we email your confirmation invoice to the 'lead name' or your Travel Agent. Your invoice will be sent to your travel agent or the lead name on the booking if you have booked direct with us. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge (See clause 8).

We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it – see clause 13) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings can either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

2. Your financial protection

We provide full financial protection for our package holidays. For flight-based holidays this is through our Air Travel Organiser's Licence (ATOL number 6639) issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive package* from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable) if we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an

alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.*The flights and flight-inclusive packages we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk.

We are a member of ABTA (ABTA number W7994). If your package holiday does not include a flight, protection is provided by way of a bond held by ABTA The Travel Association 30 Park Street London SE1 9EQ www.abta.co.uk.

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from all EU rights applying to packages. We will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that we become insolvent. More information on key rights can be found by visiting <https://www.legislation.gov.uk/ukdsi/2018/978011168479/contents>.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. The cost of your travel arrangements was calculated using known costs and exchange rates of £1 to 1.21 USD and £1 to 1.14 EUR November 2023. We reserve the right to increase and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error which we are aware of and inform the new applicable price at the time of booking. Once the price of your chosen holiday has been confirmed at the time of booking, it will not be subject to change.

4. Payment

In order to confirm your chosen holiday, a non-refundable deposit of at least £350.00 per person (or full payment if booking within 75 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services and in the case of our flight upgrade special offers, to which early airline ticketing may apply – please see the terms and conditions of individual special offers for further information. The balance of the holiday cost must be received by us not less than 75 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent. Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it). If we do not receive all payments due in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us. Please note that on very rare occasions, errors may occur when inputting prices onto our website and systems. We regret that any contract entered into on the basis of a pricing error will be invalid. In the unlikely event that this situation arises, you will be given the option to pay the correct price or cancel with a full refund.

BOOKING CONDITIONS

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of travel, and contains a minimum of two blank pages, is required for travel for the majority of countries in our programme. As visa requirements are constantly changing, you must regularly check the Foreign & Commonwealth Office (FCO) website for the most up to date entry requirements. Visa fees, where required, are included for UK British Citizen passport holders and will be specified whether included on your confirmation invoice. If you hold any other British passport (British Subject, British National Overseas) or you are a non-UK passport holder or you reside outside of the UK, you will be required to obtain your own visas at your own expense. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK British Citizen passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. An express visa process is available for an additional cost depending on the country of visit. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a visa, or payment of the balance of the holiday cost (see clause 4) to be deferred until visas have been issued. Responsibility for documentation accuracy, passport validity and dispatch of documents rests with you. Wendy Wu Tours accepts no responsibility in this regard. We accept no responsibility for passports lost in the post. It is the responsibility of each passenger to ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. Failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full. For the most up to date information on visa requirements for all destinations that we feature, please visit our website <https://www.wendywutours.co.uk/help-and-advice/passports-and-visas/>.

6. Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance covering at least circumstances leading to the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas, including COVID-19 cover. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances. Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions, including COVID-19 protection, in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and www.fitfortravel.nhs.uk. Health requirements and recommendations may change and you must check the up to date position in good time before departure. The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.

7. If you wish to change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, we will endeavour to make these changes, but it may not always be possible. Any request for changes to be made must be from the lead name on the booking or your Travel Agent. You will be asked to pay an administration charge as set out below per person and any further cost we incur together with any costs or charges incurred or imposed by any of our suppliers in making this alteration. Examples include:
