Your Tour Dossier

This document is designed to be read in conjunction with the other pre-departure information provided by Wendy Wu Tours including the tour itinerary as described in our brochure and/or website. It aims to provide a straightforward description of the physical activities involved in sightseeing or travelling during the tour.

If there are any particular challenges, from the length of time spent on your feet, the length of drives and flights, to the standard of remote accommodation; they will be explained here.

All passengers must read this document to ensure the itinerary is suitable for their interests and physical capabilities. This is not your final itinerary and therefore does not mention all the sites visited.

Welcome to Wendy Wu Tours

Burma (Myanmar) is the hidden gem of Southeast Asia and has been relatively unexplored by tourists. This tour will fascinate and thrill our passengers, many of whom have travelled to one country in Asia with us, then another, year after year. We urge you to keep in mind all the rewards, as well as challenges of travelling in a country with a history, culture and attitude so unlike your own.

A typical day's sightseeing may include the bustle and noise of a city street, sights and smells of a local market and interacting with the locals. Travelling in Burma (Myanmar) requires patience and potential delays are to be expected due to standards of service. There is a low level of English spoken throughout Burma (Myanmar), so your local guides or National Escort will be indispensable during your trip.

Almost everything will be different to what you may be used to. We have found that our passengers who embark with a sense of humour and adventure, who accept that things do not always go to plan, are those who find their experience most rewarding. It is essential that all passengers recognize the demands of factors such as basic facilities and cultural differences they may encounter in some areas.

Irrawaddy Voyager – Comfortable Paced Tour

This tour is rated a comfortable paced tour. Anyone with an average level of fitness should be able to complete this itinerary. This tour will involve sightseeing on foot, some climbing of stairs and getting on and off boats throughout the tour.

This tour is not strenuous, and can be taken at the pace, and according to the abilities of passengers travelling in your party. If any member of your party has mobility difficulties, please advise Wendy Wu Tours, so that our operators can be made aware, and may rearrange the itinerary to suit your needs. If at any point during the tour you feel you are being rushed, or not moving fast enough, please let your Local Guide know, so that they may adjust the touring accordingly and provide you with the best experience possible.

ADDITIONAL INFORMATION**Before You Leave**

Itinerary Changes - The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Roads in Burma (Myanmar) have generally been improved over recent years, but some road construction and/or weather conditions may still lengthen the driving times.

Visas - A visa is required for entry into Burma (Myanmar). A standard visa processing service is included in your tour cost. We will require your passport, completed visa application form, and 1 passport photo, taken within the last 6 months, to process your visa. We will require all this information 8 weeks prior to departure. As per our standard visa processing service, we will have your passport for at least 4 weeks. Any passports and visa applications that require an express 2 week service, or that are received in our office less than 6 weeks prior to departure will incur a £50 per passport express fee. In rare cases, you may be required to provide further information or documentation to the embassy and or be required to attend an interview at the embassy in London. If this is the case we will notify you as soon as possible.

Vaccinations and Your Health - We recommend that you contact either your local GP or a travel doctor for advice on vaccinations and travel health. www.fitfortravel.nhs.uk is a comprehensive website that you may also find useful.

Climate - Please refer to our website or brochure for detailed temperature charts.

Insurance - It is a condition of booking with us that you take out suitable travel insurance. You must provide us with the name of your insurer, policy number and their 24 hour emergency contact number when you book with us or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking.

Suggested Packing List - A complete list will be provided with deposit documentation.

Luggage - All clients are limited to two items of luggage each; a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 5kg. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

What to Expect on Tour

Development - Although Burma (Myanmar) is developing quickly, it still lacks international standards of civil infrastructure and tourist facilities. For example, you may see a hole in the road without a warning sign or safety barricade; concepts of personal responsibility are also different to those in the UK. Consequently, tourist and public facilities may not uphold the same safety standards as in the UK. However, all of our suppliers meet local safety standards as a minimum.

We want you to have an enjoyable holiday so we ask that you take extra care, use your common sense as well as refer to notices and follow advice from your National Escort/Local Guides.

Seatbelts - Please note that seatbelts are not compulsory by law in Burma (Myanmar) and therefore the local people largely choose not to wear them. For this reason some vehicles may not be fitted with seatbelts or they may be hidden underneath protective seat covers. It is recommended that where seatbelts are available customers must use them and remain seated at all times while the vehicle is moving. If you have any concerns, please notify your National Escort or Local Guide.

Vehicles - Please be advised that the vehicles in Burma (Myanmar) are very basic and old as no new vehicles have been brought into the country since a trade embargo was implemented on the country. You may find the seats to be smaller and have less leg room as the vehicles are designed for the smaller build of the Burmese. Wendy Wu Tours sources the best available vehicles; however these may vary from city to city.

Tipping - As with most countries, tipping is a way of life in Burma (Myanmar). For our passengers' convenience we ask for a compulsory amount to be paid at the beginning of our group tours to cover tipping for guides, drivers, restaurant staff etc. Approximate tipping amounts can be found in our brochure and/or website; however exact tipping amounts will be stated on your invoice.

Exchanging Cash - US dollars are the preferred currency to be used in Myanmar. There are no ATMs in Myanmar so you must bring enough US Dollars in cash to last the duration of your stay. It is highly recommended that extra care and attention is paid when exchanging money when travelling outside major cities in Myanmar. US Dollars are easily exchanged throughout Myanmar, provided notes are new and undamaged. US Dollars should be from the new series from the year 2003 onwards. We suggest for your convenience that you ensure your US Dollars are from the new series and are in good condition to avoid any difficulties exchanging money during your trip. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Your National Escort will remind you to do this before departure.

Personal Expenses- You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of £150 per week should be sufficient; however for those that can't resist a bargain, consider allocating a higher amount.

After your Booking

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice followed by deposit documentation, which includes a visa application form and a help sheet. Your final documentation pack will be sent to you approx. 2 weeks prior to departure, and will include a travel wallet, badge, lanyard, suggested packing list and a phrase book, along with your final itinerary and international e-tickets.
